TWO SENTENCE PITCH:

A feisty princess, desperate to leave her kingdom and royal duty to marry, unknowingly makes a deal with the dark sorcerer sent to kill her and the entire royal bloodline. When dangerous quests lead to lingering touches, their actions send them catapulting toward mutually assured destruction, where falling in love would break her heart, but for him, it would cost the very thing he's been working toward his entire life. COMPS

Perfect for readers who loved QUICKSILVER's jealousy, danger, and spice; the hidden identity dynamic and banter in HEARTLESS HUNTER; and the looming, mysterious atmosphere of ONE DARK WINDOW.
